

Drug Addicts Anonymous

Drug Addicts Anonymous is a fellowship of men and women who have recovered from addiction and are committed to helping those who still suffer.

We have recovered by using the Twelve Steps as outlined in the book of Alcoholics Anonymous. Drug Addicts Anonymous is not allied with any sect, denomination, politics, organization, or institution, does not engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to recover from our addiction and help other addicts to achieve the same freedom. Drug Addicts Anonymous is not dedicated to users of any one specific drug, and use of no single drug was predominant among our members.
